

Internet Accessibility:

Good Evening,

Amherst County Public Schools realizes the lack of reliable internet connectivity is a concern for many people in our community. In order to provide internet accessibility to our students and community, ACPS is beginning drive-up internet service beginning Friday March 27, 2020 at the following schools:

Amherst County High School – Back Parking Lot

Amherst Middle School – Front Parking Lot

Monelison Middle School – Student Drop Off Area in front of building

Amherst Elementary School – Student Drop Off Area/Gym parking

Elon Elementary School – Bus Loading Area near main office

Temperance Elementary School – Bus Loading Area

**Log-in information:**

**User Name: ACPS-Guest**

**Password: welcome029**

The log-in information is also posted in the windows of the school near the connectivity zones.

**Additional Sites in Amherst County:**

The Town of Amherst has opened drive-up internet service at the Amherst Town Hall. There is no password required for that location

Amherst County has opened drive-up service at the Amherst Library and the Madison Heights Library. There is no password required for either library location.

ACPS is working with local internet service providers and area businesses to increase connectivity in rural areas of the county. We will notify you of any additional locations once the service has been established.

As a reminder, ACPS monitors internet communications on its servers and you may be blocked from certain sites. We ask that you please use this resource responsibly.
