

Secondary Summer School Plan Summer 2017

Location: Amherst County High School

Program Duration: 20 student days (June 12 -July 18, excluding Fridays and Monday, July 3rd, and Tuesday, July 4th)

- Campus Classes: 8:00-12:00- Recovery courses with a culminating EOC exam will be on-site with required student attendance for the entire 20 day program.
 - A recovery course indicates that the student will re-take an SOL assessment at the culmination of the course.
- Non-recovery courses, new or repeat, will be offered in a **blended/online** format with new courses offered as (140 hours) and repeat as (70 hours) courses. The blended/online course will be student paced with required attendance for students to report on-campus the first week of school and the last week of school. After the first week the teacher will evaluate student progress and may release students from daily in-person attendance.
 - A repeat course is defined as a course which was taken in its entirety the previous school year where the student did not receive a passing grade.

Student Fees: Tuition is payable at the time of registration. Partial payment will not be accepted. No refund will be allowed after the second day of class. Tuition shall be payable to Amherst County High School. Maximum credit allowed: 1 credit.
